

2019 UNSW & UTS Postgraduate Workshop of Japanese Language and Japanese Studies 19 October 2019 @ University of Technology Sydney

Postgraduate students and Early Career Researchers (ECRs) are invited to present/participate in the Postgraduate Workshop of Japanese Language and Japanese Studies co-sponsored by the UNSW School of Humanities and Languages, the UNSW Scientia Education Academy and the University of Technology Sydney. The workshop provides the participating postgraduate students and recent graduates with a venue to share their ongoing research/projects as a whole or a part of it (e.g., proposal, methodology, literature review), receive comments and network with each other, while being supported by experienced researchers.

Schedule (Tentative):

Saturday 19 October 2019
10:00 Opening
10:10 Keynote presentation
東洋大学 三宅和子教授
(Topic TBA)
11:10 Presentations
12:30 Lunch
13:30 Presentations
16:00 Afternoon tea
16:30 Presentations
18:00 Closing
18:30 Dinner at own cost

Venue:

University Technology Sydney (UTS)
Building 10 Level 5 Room 580

Presentations:

Up to 12 presentations by postgraduate students or recent graduates in **Japanese or English language** will be accepted in order of application. A 10-minute presentation followed by 10-minute Q&A is envisaged. The length of the session will be adjusted according to the number of presenters.

Participation:

Interstate participants may present/join via **ZOOM**. International participants are also encouraged to present/join via **ZOOM**.

Registration:

Registration is **FREE**, but essential for catering purposes.

For presenters: Please register by **30 September**

For non-presenting participants: Please register by **4 October**

via <https://tinyurl.com/y26c93cp>

Scholarships:

A small number of scholarships to cover flight/coach and one-night stay in Sydney is available for presenting interstate postgraduate students. By indicating your interest in the scholarship in the registration (above link), you will be contacted by us. The scholarship will be awarded in order of application.

Workshop Dinner:

A dinner will be held at a nearby casual restaurant following the workshop. Participants are encouraged to join the dinner to network with each other, at their own cost (approx. \$20-30).

Enquiries:

Please direct your enquiries to
y.okawa@student.unsw.edu.au

Convenor:

Chihiro Thomson with UNSW Benkyokai Team
Co-sponsored by UNSW School of Humanities and Languages, UNSW Scientia Education Academy and University of Technology Sydney.

2019 UNSW & UTS

Postgraduate Workshop of

Japanese Language and Japanese Studies

19 October 2019 @ University of Technology Sydney

The Postgraduate Workshop of Japanese Language and Japanese Studies co-sponsored by the UNSW School of Humanities and Languages, UNSW Scientia Education Academy and the University of Technology Sydney would like to encourage participation of interstate postgraduate students by offering scholarships.

Scholarships:

A small number of scholarships to cover flight/coach and one-night stay in Sydney is available for presenting interstate postgraduate students. By indicating your interest in the scholarship in the registration, you will be contacted by us. The scholarship will be awarded in order of application.

Please note that the one-night stay in Sydney is included in the scholarship so that the recipients can join the workshop dinner for networking.

Canberra participants:

Return coach fare up to \$80 and accommodation in Sydney up to \$180, in total, up to \$260 will be allocated.

Participants from other interstate locations:

Return airfare and local transport up to \$320 and accommodation in Sydney up to \$180, in total, up to \$500 will be allocated.

Methods of payment:

Once you have purchased your tickets and paid for your accommodation, email your receipts (electronic copies) in one bundle for reimbursement to c.thomson@unsw.edu.au with a title "PG Workshop Reimbursement".

Enquiries:

Please direct your enquiries to y.okawa@student.unsw.edu.au.

Convenor:

Chihiro Thomson with UNSW Benkyokai Team

Co-sponsored by UNSW School of Humanities and Languages, UNSW Scientia Education Academy and University of Technology Sydney
