CENTRE VISITS FOR SCHOOLS

LANGUAGE & CULTURE WORKSHOPS

The workshops are designed to deliver opportunities for teachers to expand their cultural knowledge and gain ideas for teaching and advocacy through observing how students are immersed in a Japanese language and cultural experience.

Workshop topics fit well into the Australian Curriculum's General Capabilities - Intercultural understanding, and Cross-Curricular Priorities - Sustainability and Asia and Australia's Engagement with Asia.

Centre Visits for Schools

School groups from Years 3 to 12, of up to 30 students in a workshop.

Choose from a number of workshop topics according to your student's level and interest.

Visit our library and gallery as part of your excursion.

Online Furoshiki Workshops

School groups of Years 3 to 12, of up to 40 students at a time.

Delivered via video link from The Japan Foundation, Sydney. A screen, audio, microphone and furoshiki cloths are required to participate.

If you do not have furoshiki at school, a class set is available for loan from your Japanese teachers association.
